## Class of 2023

Angela O'Dwyer  
Principal, Loreto Toorak

### Congratulations to the Loreto Toorak graduating Class of 2023.

The results of the Class of 2023 have demonstrated outstanding academic endeavour and we celebrate their wonderful achievements: in working together, cooperatively and collectively, with each other and with their very dedicated teachers.

Our 2023 Dux of School Emma Guthrie, is to be warmly congratulated. The Class of 2023 achieved **11 perfect study scores across seven subjects**. In addition to this, 26 students achieved an ATAR above 98.00, which is an exceptional result.

These results are well deserved for this cohort of students who have diligently applied themselves throughout the year. Our School community congratulates our students and pays tribute to our dedicated and inspiring teachers.

The academic achievements of our students are only one part of a Loreto Toorak education. It is the School's mission to develop both a curious mind and a compassionate heart in all our students and we acknowledge the various individual successes of students whose results might not reflect an academic honour, but for whom the achievement was significant. It is these individual stories that are special to celebrate, and the essence of all that we do.

Our graduates now have their choice of post-school experiences and will continue to build on this firm foundation in deciding their next exciting step. We know that these women will each contribute to a better world in some significant way. They are Loreto Toorak graduates: Loreto women. We wish them well.
