Class of 2025

Angela O'Dwyer
Principal, Loreto Toorak

Congratulations to the Loreto Toorak graduating Class of 2025

Our graduating class has demonstrated exceptional dedication and commitment throughout the year. These students are thoroughly deserving of their outstanding results, and we celebrate all they have accomplished. Our School community honours our students and recognises our passionate and inspiring teachers.

We are delighted to congratulate our 2025 Duces of School, Stephanie Leon and Bethany Leung. The Class of 2025 achieved seven perfect study scores across six subjects, while over half of our cohort attained an ATAR above 90.00. A truly remarkable achievement.

Academic excellence represents just one facet of a Loreto Toorak education. The School's mission is to nurture both intellectual curiosity and compassionate leadership in every student. We celebrate the diverse individual achievements of all students. Those whose results may not appear on an honours list, yet whose personal growth and accomplishments are equally significant. These individual journeys are what we treasure most and reflect the heart of our educational purpose.

Our graduates now stand before a world of opportunities and will build upon the strong foundation they have established here as they embrace their next adventure. We are confident these young women will each make meaningful contributions to creating a better world. They are Loreto Toorak alumni: Loreto women. We wish them every success and happiness.
