Fee Subsidy – Pre-Prep Fees Policy

St Peter's E.L.C. has a Fee Subsidy Policy that is based on the Department of Education and Training (DET), *Victorian Kindergarten Policy, Procedures and Funding Criteria*. Details can be found in the *St Peter's E.L.C. Policies and Procedures Handbook* or is available upon request.

The Department only makes this fee subsidy available to eligible families in the funded program, which is our **Pre-Prep Program**. In due course the DET will advise us of the 2018 Pre-Prep Fee Subsidy and the subsidy will be deducted from the full-time fees of eligible families by the Loreto Toorak Business Office.
