

## **Discovering Audrey**

**By Daphne Burley (Year 1, 2019)**

Once upon a time, there was a little girl who went to Superhero school. Her name was Audrey. She loved going to school but unlike her friends, she did not know her superhero power yet.

Then one fine day, a new student called Millie, came to school. She did not know anyone and had no friends. Millie was shy and sad. At recess, Audrey saw Millie by herself and went up to her and asked her to play. They had such fun together and by the end of recess, Millie had a big smile on her face.

At lunch time that same day, Audrey saw her friend, Ella, trip and graze her knee. It looked sore and painful. Ella cried. Audrey took Ella to see the school nurse and helped the nurse put a band aid on Ella's knee after it had been cleaned. Ella felt much better.

After lunch, Miss Brown gave the girls time to do mindful colouring. Audrey noticed that Alice was not colouring because she did not have any colour pencils. So Audrey shared her colour pencils with Alice and together they finished their picture.

When Audrey got home that day and told her Mum of her adventures, her Mum said, "Good job Audrey. You are such a kind friend. It's your secret superpower that makes you so special and I love you so much for that!" Mum gave Audrey the biggest long hug ever! Audrey was so happy because she had discovered her secret superpower, she was ready to conquer and help the world!
